

## Introduction to Public Sector Finance

### Overview

This one day workshop is designed to provide participants with an overview of how public sector finance works.

### Program Structure

This workshop covers the following areas:

- Overview of the government financial framework
- Overview of the budget process
- Overview of the requirements of the FMA and CAC Acts
- Where to seek further advice

At the completion of this workshop participants will be able to:

- Explain the government financial framework
- Understand the budgeting process in government
- Understand their obligations under the relevant finance legislation
- Know where to seek further advice.

### About Magical Learning and Your Facilitator

Magical Learning is committed to providing excellence in training. We utilise accelerated learning techniques to enhance the effectiveness of our courses. We are constantly updating our course material to include latest research and developments in financial management.

Our facilitator, Danette Fenton-Menzies, is a government finance expert who wrote the first Diploma of Government (Financial Management) in Australia and has been presenting for the past eleven years. She regularly presents on government finance, making a potentially dry topic relevant and interesting.

### Cost

The cost of this workshop is \$595 per participant or \$550 per participant for Magical Learning Club members and groups of three or more.

To join the Magical Learning Club (membership is free), sign-up online at [www.magicallearning.com/club.html](http://www.magicallearning.com/club.html) or email [club@magicallearning.com](mailto:club@magicallearning.com).
